Dear Sirs:

I wrote a letter to the John F. Kennedy Space Center, Nasa about a Unidentified Flying Object I saw on the early morning of March 17 about 1 to 3 A.M. when I was helping my boss take a ride called the Flying Coaster. It is a ride from a Carnival. The U.F.O. was going West. It was a real large glowing oval object. It was as large as a regular classroom in a school. Could you send me some information leading to this incident, and could send me some ~~po~~ photographs of ~~some~~ some of your aircraft please so I can show

Thank

Yours  
Sincerely,  
Yours.
